Class Information

Classes 1,3 and 5 - Will run similar to a **Mini One Day Event** starting with dressage followed by the show jumping approx. 30 mins. after completing your dressage test. Then the working hunter jumping will follow directly on from the show jumping similar to show cross. You will receive **start times** for both your dressage and show jumping/working hunter phases.

Classes 2,4 and 6 - Will run similar to **Show Cross** with the working hunter jumping following directly on from the show jumping. You will receive a **start time** for your show jumping phase only – as working hunter jumping follows on.

Class 7 – Dressage Practice. This is not a competition but an opportunity to ride your chosen test in front of a judge, receive feedback from the judge and then re-ride the test. Practice sessions will run throughout the day so your start time could be anytime during the day. You will receive a **start time** for your practice session.

Times – All competitors will have their own start times for all phases of all classes so please make sure you remember to get your times before the day. Times will be on the website from Friday 30th March or you can ring Althea Green that night between 7 and 9 p.m. on 01909 730896, or we can send you your times by text message if you tick the relevant box on the entry form.

Other Information

None of the working hunter jumps will be fixed. The ditch will be included but there will be an option to avoid this.

Penalties will be the same for both the show jumping and the working hunter jumping phases: 5 for a knockdown, 5 for 1st refusal, 10 for 2nd refusal and elimination for 3rd refusal.

Fall of horse, rider or both will result in elimination and you must leave the ring dismounted.

The show jumping will be timed but there wont be time faults just a course time limit (announced on the day) and you will be eliminated if you exceed this.

The working hunter jumping will be timed and in the event of an overall tie on penalties then the rider nearest the optimum time will win. Stopwatches can **not** be worn by competitors and the optimum time for each class wont be revealed until each class has finished.

If you are eliminated for 3 refusals you may have chance to jump a few more fences but as all the riders have a set time to start their show jumping phase you may not get to complete the full courses.

The courses can be walked from 8 a.m. on the Sunday morning or at anytime it is safe to do so on the day – **please ask the stewards permission before walking into any of the rings.** The courses wont change for any of the classes, the jumps will just increase in height. There will be an opportunity to walk the course after the jumps have been raised for the later classes.

- Horses and ponies must be 4 years or over
- Back protectors are recommended but are not compulsory.
- Show Jackets or cross country attire can be worn for the jumping phases but show jackets must be worn for the dressage.
- Hats must be worn and harnesses must be correctly adjusted and fastened. Hats must be to the following standard: PAS015: 1998 or 2011, BSEN 1384: 1997, EN1384: 1996, all SEI, ASTM F1163: 2004, SNELL E2001, all SAI AS/NZS 3838 2003 or 2006.
